

Oil Seals and Bonded Washers

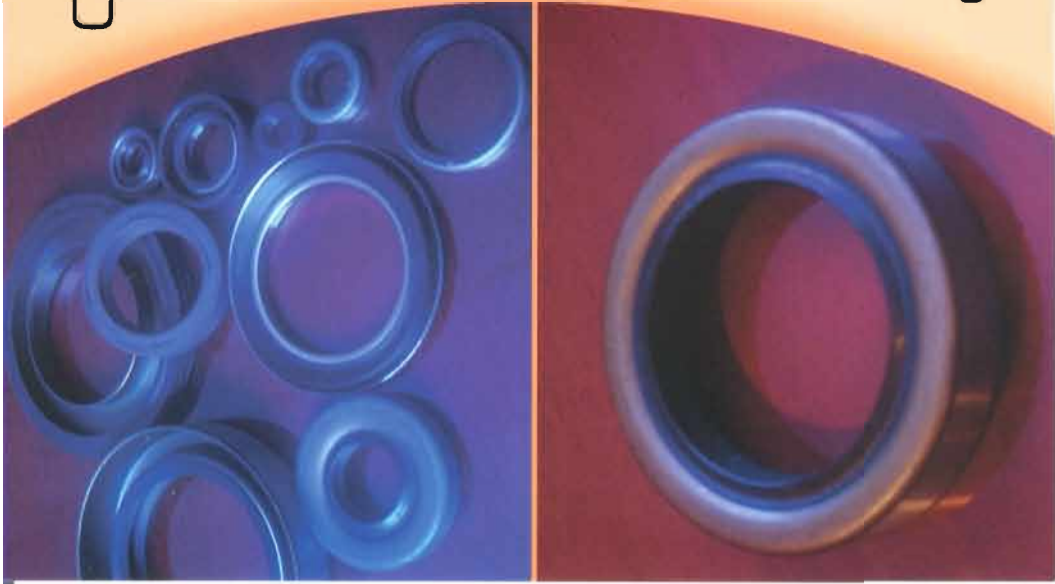

Oil Seals

- Pressure seals and low friction PTFE designs
- Double lip style for heavy dirt exclusion
- Over one hundred different designs for reciprocating and rotary applications
- Rubber cover OD for improved OD sealing and corrosion resistance
- Inner casing for improved stability
- Thousands of sizes from stock in Nitrile, Polyacrylic and Fluorocarbon
- Standard and metric sizes

Bonded Washers

- Standard and metric thread sizes
- Stainless steel, aluminum and bronze base construction
- Zinc and other plating treatment available
- Nitrile, Fluorocarbon, Chloroprene, EPDM and other seal elements available

We can interchange NOK, National, CR and other manufacturers' part numbers.
Contact us for competitive pricing at oilseal@lutzsales.com or fax us at **800-371-0630**.

Serving the Automotive, Electronic, Agriculture, Chemical, Aerospace, Fluid Handling and Appliance Industries.

Take advantage of our \$3 million inventory of o-rings, seals and various rubber components in all materials:

- Nitrile
- Viton
- Silicone
- EPDM
- Chloroprene
- Urethane
- Polyacrylate
- PTFE
- Perfluoroelastomer
- Other specialty compounds.
